Booking Terms & Conditions

THIS IS A LEGAL CONTRACT - SO PLEASE READ CAREFULLY

Making a Booking:

A deposit of £40.00 is required to reserve your wedding day date. Only when this payment is received in full, will your wedding day date be reserved.

All deposits are non-refundable in the event of cancellation.

The bridal trial date and time must be confirmed back to us in writing (by email) and payment for the trial should be paid in full to the artist at the trial. You can make this payment by cash or cheque.

If one artist is not enough for your wedding day due to timing then a second artist will be charged at £20.00 per hour.

How to Pay:

Payments can be made by cash, cheque, PayPal (debit/credit cards) or bank transfer. The final payment for your wedding day will be required 7 days before the actual wedding day, unless otherwise agreed.

Parking and congestion charges are to be covered by the client (the bride). You will be charged 45p per mile, if you are further than 22 miles from the artist's address.

Cancellation:

You have one week after the bridal trial to cancel your booking with us if you are not happy, after this you may be charged.

In the event of cancellation, you will be charged 50% of the total wedding hair / make-up fees, if the booking is cancelled within 8 weeks of the wedding day, or full payment will be required, if cancelled after the invoice has been sent which is normally 4 weeks before. This is to cover against any loss of earnings for that day.

I have read and agree to the Terms and Conditions outlined above:
